

Advanced Nurse Practitioner Clinics

Minute Clinics, Little Clinics and Take Care Clinics in the Columbus Area

Located in some CVS, Kroger and Walgreens stores, these clinics treat minor illnesses only (such as ear infections, poison ivy, and pink eye). They also offer sports physicals, school physicals and vaccinations. The minimum charge is similar between clinics (at least \$59). You must pay at the time of service in cash or by credit card, and most health insurance is accepted.

Below is a list of clinics in the Columbus area. Please call them directly or go to their websites if you have questions.

This is an informational list only. Columbus Public Health does not endorse the use of these clinics.
